

Newsletter

April 2017

Dear Parents and children,

Welcome to Term 3. Several new children have joined us in school and it is lovely practising our social skills and getting to know them.

I do hope your holidays were relaxing and enjoyable. Around school our new topics are underway. In Nursery we are studying *Animal Stories* with the classroom currently resembling the *Three Bears House* with *Goldilocks* creating havoc!

In Kindergarten, the science based *Water, Water, Water* topic is underway. The students are loving playing with water and learning about its importance in our everyday lives.

In other developments, mummies and babies from the *BAMBI* playgroup now regularly spend the morning with us on Thursdays from 9.30-11.30am and we continue to host a *BAMBI Daddy and Babies Club* at School twice a month on Saturday mornings. Please feel free to bring your babies to join us if you can.

Coming up in May, *Book Week* is scheduled for the 15th-19th and we would be delighted to have parent volunteers read a story to our children. Please let us know a time that might suit your schedule.

It should be an enjoyable week and will feature a book character dress up parade and a teddy bear picnic in our garden too.

In the meantime, let's continue to have fun and learn wonderful things at the same time.

Kind regards,

Ms Shayne

Important Dates and Events	
1 May	Classes open as normal
5 May	Classes open as normal
15-19 May	Book Week celebrations
29,30 May	Half Term Holiday

Kids Corner

Can you tell Ms. Shayne the name of the big room where we have our weekly assemblies?
